"Keep Love in Your Heart" by Stephen W. Sisson, Ph.D

I'm thinking 'bout you. I'm thinking 'bout us.

Holding you close in my heart, oh yes, I'm thinking 'bout love.

I'm on the other side, looking back on my life.

Oh, it might have gone better, but you know I had a pretty-good life!

To Katie, Anna and Jelly I'd say: "I loved you with all my heart!"

Remember keep the bonds of love between you strong.

Oh yes, and take good care of the gifts I left,

they're there to help you in life. So, you can...

Live every day, every way, keep love in your heart! (Keep the love in your heart!)

Go on and live every day, every way, keep love in your heart!

I'm thinking 'bout you. I'm thinking 'bout us.

Holding you close in my heart oh yes, I'm thinking 'bout love.

From this other side, it's so easy to see

that if you live with your heart, your love can truly set you free.

To all my sisters and brothers, I'd say "So glad for what I learned with you."

I tried to leave a piece of myself in each of your lives.

You know that me and mom and dad, we send you our love.

We'll see you after your long life. So, go and...

Live every day, every way, keep love in your heart! (Keep the love in your heart!)

Go on and live every day, every way, keep love in your heart!

I'm thinking 'bout you. I'm thinking 'bout us.

Holding you close in my heart oh yes, I'm thinking 'bout love.

I'm on the other side, looking back on my life.

With all the people that I loved, you know I had a pretty-good life!

To all my friends and family, I'd say "Don't fret about what's to come."

Lend a hand to your fellow man it will surely bring out the sun.

Enjoy the time that you're here,

don't go living your life with fear. So, go and...

Live every day, every way, keep love in your heart! (Keep that love in your heart!)

Go on and live every day, every way, keep love in your heart!

(Keep that love in your heart!)
